## **PLEDGE OF ALLEGIANCE**

I pledge allegiance to the Flag  
of the United States of America  
and to the Republic  
for which it stands,  
one Nation under God, indivisible,  
with liberty and justice for all.

### **CLUB COLLECT**

Recite at each general meeting

KEEP US, O GOD, from pettiness;  
let us be large in thought, in word, in deed.  
LET US be done with fault-finding  
and leave off self-seeking.  
MAY WE put away all pretenses and  
meet each other face to face  
without self-pity and without prejudice.  
MAY WE never be hasty in judgment  
and always generous  
LET US take time for all things;  
make us grow calm, serene, and gentle.  
TEACH US to put into action our better impulses,  
straightforward and unafraid.  
GRANT that we may realize  
it is the little things that create differences;  
that in the big things of life, we are as one.  
AND MAY WE strive to touch and to know  
the great, common, human heart of us all  
and, O Lord God, let us not forget to be kind!  
~ Mary Stewart, Colorado, 1904

## GFWC EMBLEM & MOTTO

"Unity in Diversity" emphasizes our ability to use the diversity of our backgrounds to work toward a unified vision and purpose.

The General Federation of Women's Clubs, founded in 1890, is an international women's organization dedicated to community improvement by enhancing the lives of others through volunteer service. GFWC seeks to build global communities where people unite in diversity and dedicate their service to changing lives. GFWC celebrates the engagement of people of all backgrounds and believes in fostering an inclusive, equitable climate and culture where community members can thrive.

## CFWC EMBLEM & MOTTO

"Strength United is Stronger" reminds us that in unity, there is strength.

Designed by Miss Bernice Scoville in 1903, the torch represents the educational work of the federation and invites all to knowledge of the principles of American Citizenship. The wings pointed upward are symbolic of the higher thoughts and aspirations that are the aim of all. The band encircling both typifies the unbroken chain of strength and loyalty not only to the clubs but also to our State.

CFWC goals include (1) Building leaders and training volunteers, (2) Providing service to those in need, (3) Active advocacy in legislation, (4) Encouraging enrichment programs for members, and (5) creating opportunities for volunteerism.

**2025-2026 PRESIDENT**

*Desiree Frey Ward*

*Motto:*

*Gifts of Service -*

*Inspiring Acts of Kindness and Community*

## **DONATIONS TO THE CLUB**

### **ENDOWMENT FUND**

The Endowment Fund was established on May 5, 2003, with a \$40,000 gift from the estate of Club member Merriam Swett. The Fund's primary goal is the long-term support of the Club, the clubhouse, and the scholarships and philanthropic projects. Endowment Fund guidelines are found on Page 99 of this handbook.

### **MEMORIAL BUILDING FUND**

The Memorial Building Fund was established in March 1960 with an initial gift from Past Presidents in memory of deceased Presidents to support Clubhouse additions and improvements.

Gifts of remembrance sustain our Club for "Home and Community," with honorees inscribed in the Book of Remembrance. Memorial Building Fund guidelines are found on Page 97 of this handbook.

### **BUILDING MAINTENANCE ACCOUNT**

The Building Maintenance Account was established to pay for Club maintenance expenses that are larger than normal monthly and annual expenses. These tasks are to be undertaken as designated and implemented by the Preservation and Planning Committee.

Building Maintenance Account guidelines are found on Page 93 of this handbook.

### **GENERAL GIFT**

Donations to the general budget allow the funds to be used where they are most needed. General donations ensure the flexibility of Club operations, addressing immediate needs and priorities as they arise.

## **STANDING HOUSE RULES**

The following rules have been established to assure the smooth functioning of the Clubhouse for all members.

(Revised Mar 2021)

### Rules of Membership and Officers

1. Keeping the Standing House Rules current is the responsibility of the Bylaws Committee.
2. Promotion of Federation Clubs shall be encouraged.
3. Each member shall be notified by the Membership Chair that reasonable attendance and active service are required. Minimum service shall consist of working on one fundraising activity; in addition, all members are expected to work on the Trash to Treasure Days fundraiser plus at least one other committee. The Membership Chair shall give each new member a document covering the obligations of membership.
4. Members shall notify the First Vice-President if unable to serve on assigned committees and be transferred.
5. All members of the Board of Trustees shall keep procedure books. The First Vice-President shall collect all books at the end of the Club year and distribute them to the next Board of Trustees. After the end of the Club year the Committee Chairs of the current year should meet with the Committee Chairs of the incoming year. This personal meeting could help answer any questions the new Chairs might have.
6. The Membership Chair and at least one other member will meet with people who have indicated an interest in joining Fig Garden Woman's Club but are not acquainted with any current members.
7. Contact information for new members and changes to contact information for current members will be published in the Fig Leaf at the earliest date possible.

Sierra West Warehouse, LP was first opened in 1989 and was originally opened to complement our trucking company Quali-T-Ruck Service, Inc. The idea was to add more versatility and aid us with improving service and efficiency. A few years later we realized the demand for storage and distribution within the Central Valley and were approached by Capri Sun to help them distribute their finished materials throughout the west coast.

Sierra West Warehouse, LP is available to handle all of your logistic needs. No job is ever too large or too small so get in touch with us today and see if we can help you to expand your business. Conveniently located in central California, we offer the unique ability to service all of California from one location and on most occasions overnight.
