## President's Message

*Desiree Ward*

Dear Members,

December at Fig Garden Woman's Club was nothing short of magical, filled with joy, community, and holiday spirit.

The stunning transformation of our clubhouse for the month of December deserves special acknowledgement. It did not happen by chance. It was the result of one woman's vision, creativity, and unwavering dedication.

**Val LeMay**, worked tirelessly for days to create the spectacular holiday setting we all enjoyed. While I'm talking about decorations—weren't the luncheon and dinner tables absolutely breathtaking? Many thanks to **Juliette Hammel** for coordinating the table decorators and the talented ladies who so thoughtfully designed and decorated them. You made our luncheon and gala feel truly special.

Santa's House was the most well-attended ever, and what a success it was—bringing the magic of Christmas to children and adults alike. I deeply appreciate **Irene Wiegand** and **Val LeMay** for leading a dedicated team who poured their hearts into creating this unforgettable experience for our community.

We also celebrated a very special milestone on our grounds: the planting of a Deodar Cedar tree in our parking lot, just in time for the opening of Christmas Tree Lane. What a lovely addition this will be for years to come; a symbol of growth, tradition, and community spirit.

And finally, our Angel Tree continues to remind us of the heart and purpose of our club. Because of your generosity, kindness, and compassion, we were able to bring joy and comfort to those in our community who need it most.

We closed the year with a delightful Christmas Gala, and I can't think of a better way to celebrate all we've achieved and the bright possibilities ahead, than by sharing good food, warm fellowship, and creating memories together. A heartfelt thank-you goes to the wonderful women who prepared our dinner and led the kitchen team. **Allison Alexander** and **Lynn Baldwin**, your culinary skills, planning, and countless hours of preparation made the evening possible, and we are so very grateful.

Thank you, dear friends, for your kind spirit, your willingness to serve, and the love you bring to everything we do. What a beautiful way to end the year—and what inspiration as we step into a new one together.

Warmly,

*Desiree Frey Ward*

President, Fig Garden Woman's Club

### **Board Meeting Minutes**

#### **December 1, 2025**

**Call to Order:** The meeting was called to order by President Desiree Ward at 9:31 a.m. There was a quorum present.

**First Vice President:** First Vice President Debbie Reuland thanked Member Linda Gandolfo for helping her provide the snacks for today's morning meeting.

**Approval of the Minutes:** Recording Secretary Charlotte Zylka Singer informed those present that the November 3, 2025 board meeting minutes were disseminated by President Desiree Ward to the Board of Trustees via email. There were no additions or corrections. Member Suzy Wren made a motion to approve the minutes as written which was seconded by Member Tamara Hargrave. The motion was voted on, and the minutes were approved.

**Treasurer's Report:** Treasurer Susan Simpson reported that the club's B of A checking account, as of November 30, 2025, had a balance of \$60,526.56 and the investment accounts had a balance of \$153,135.31 for a total of \$213,661.87. Income for the month of November was \$35,426.49 and expenses were \$10,058.87 for a net balance of \$25,367.62. Susan further reported that the current income from the Christmas Gala was \$5,050.

**Corresponding Secretary:** Corresponding Secretary Tamara Hargrave informed those in attendance that the Club had received eight donation requests and two thank you notes. One thank you was from Mary Vaughan's sister Cathy Gorham thanking the club for lunch at the November General Luncheon Meeting and the other was from Elizabeth Laval of the Fresno Historical Society thanking the club for renewing its membership.

**President's Report:** President Desiree Ward said that November had been a busy month. Trash to Treasure had been a big success, the club helped the Fresno Mission meet its goal of giving away over 4,500 warm coats, the Harvest Cocktail Party was lovely, Nonnie's House Shopping Day was well attended, and Knitting and Needles' ornament making class was a big hit. The activities to be held in December will be magical and a mix of both social and service. There will be a lot to celebrate.

#### **STANDING COMMITTEES:**

**Contributions:** Chair Annie Anderson reported that the committee's second meeting will be on December 4, 2025. Annie will be in contact with past recipients. Annie also said that an E-Blast had been sent to the membership with an attached PDF which can be forwarded to local nonprofits. The deadline for the applications to be received is February 15, 2026.

*December 1, 2025 Board Meeting Minutes, continued*

**Membership:** President Desiree Ward reported for Third Vice President Suzanne Crosina-Sahm and said that the Harvest Cocktail Party put on by the new members was awesome. Should members need a new name tag, contact Suzanne today because she is placing an order.

**Program:** Second Vice President Suzy Wren announced that the program for the December luncheon meeting will be an entertaining surprise.

**Grounds:** Member Irene Wiegand reported for Chair Dolores O'Neal. Irene said that she and Dolores met with landscaper Jeff Noble who has previously done work for the club. Jeff's bid was \$6,500 to plant the new deodar cedar tree, fix the drip in the front, and add ground cover, drift roses, and a sycamore tree in the front. The bid for the patio was \$4,600 to grind out the stumps and plant Carolina cherry trees and a sycamore tree along with drift roses, ferns, and camellias. Repairing the fence on the northside would cost \$800. Should the club opt to do the work at one time, there would be a \$1,000 discount; and the total cost would be \$11,000. Work would not include addressing the two small urns by the front door. Much discussion ensued with Treasurer Susan Simpson commenting that the project was not in the budget but that there are funds of \$46,430.18 available in the Building Maintenance Fund. Member Tamara Hargrave suggested that the club name the patio garden in honor of Member Mary Vaughan and use some of the proceeds from her family's donation to refurbish the area. Member Vanda McArthur made a motion to do the whole landscape project which, after more discussion, she later retracted. Chair of Preservation and Planning Martha Stewart said her committee which is meeting after today's board meeting is getting costs together to make needed improvements to the clubhouse. Those numbers were not available for today's board meeting. After more discussion, Member Irene Wiegand made a motion to spend \$6,572 from the Building Maintenance Fund on the front to plant and provide water for the deodar cedar and plant a sycamore and drift roses which was seconded by Member Barb Moen. President Desiree Ward asked if there was any more discussion, and there was none. The motion was voted on and passed without opposition. Member Lillian Weiland then made a motion to name the patio garden "Mary's Garden" after Member Mary Vaughan, and the motion was seconded by Member Debbie Reuland. The motion was voted on and passed unanimously.
